

CURRICULUM VITAE

Name: MOHAMMAD SAADATNIA

Sex: Male

Qualification: Neurologist, M.D.

Nationality: Iranian

Date of birth: Sep 16, 1972

Marital status: Married (Two child)

Address:

Home (Address for correspondence):

No 7, East Bahar Blind, Shariati Blind, Shariati Street, Isfahan, Iran,
Postal code: 8173947851
Tel: (311) – 6260051
Fax: (311) - 6627070
E.mail: mosaadatnia@yahoo.com

Work:

Al-Zahra Hospital
Isfahan University of Medical Sciences
Sofeh Street
Isfahan 81744, Iran
Tel: +311-6255555
Fax: +311-
E.mail: saadatnia@med.mui.ac.ir
E.mail: mosaadatnia@yahoo.com

Education:

1- Islamic Azad University of Najaf Abad, Iran, Doctor of Medicine (M.D.) 1991-1998. (*First Rank*)

Thesis: The common problem in pediatric medicine

2- Department of Neurology, Faculty of Medicine, Isfahan Medical University, Isfahan, Iran, Neurologist. (2000-2004). "*Third Grade in Board Examination*"

Thesis: Magnesium sulfate in acute stroke: A double blind randomized study

3-Student “Master of Medical Education” (from 2009)

4-Student “European Master of Stroke” (From 2011)

Teaching Experience:

1- Assistant Professor of neurology, Al-Zahra Hospital, Medical School, Isfahan University of Medical Science, Isfahan, Iran (November 1, 2004).

Work Experience:

2- Member editorial board and consultants team of Journal of research in medical science. (From 2004)

3- Member of Isfahan Neurosciences research Center (2007).

4- Duplex and TCD of cervical and cerebral vessels (7 years work experience)

5- Cerebral angiography and neurointervention (1 year work experience)

6- Neurointerventional observer ship (2 months) in Foundation Rothschild, France (2007).

7- Member of Isfahan Medical Education Research center from 2007.

8- Assistant director of student council in medical faculty (2008-2009).

Social & Scientific Activity:

Member of Iranian neurological Association

Member of Young European Neurological Society

Member of world stroke organization

Member of Iranian Stroke Society

Achievements:

First Rank in Doctor of Medicine Degree, Islamic Azad University of Najaf Abad (1998)

Third Rank in Iranian neurology board exam. (2004)

The best junior researcher, Isfahan University of medical science, Isfahan, Iran (2004)

The best researcher Isfahan University of medical science, Isfahan, Iran (2005)

Research Award Isfahan University of medical science, (2007)

Research Award Isfahan University of medical science (2010)

Research Award Isfahan University of medical science (2011)

Referee of International Scientific Journals:

Journal of research in medical science
Journal of Isfahan medical school
Saudi medical journal
Neurosciences
Acta neurological Scanndinavia
Neurology

Hobbies:

Mountain climbing

Research Interests:

My main research interest is: vascular dysfunction in neurological disorder

- Endothelium dysfunction in neurological disease (stroke, multiple sclerosis,)
- Cerebral vein and sinus thrombosis, epidemiology, etiology and treatment.
- Gens mutations in arterial and venous stroke

Publications:

A. Papers:
