Vice Chancellor for Research and Technology

Research Grant Application Form¹

(EFP-01)

A) Application Summary

Electronic Submission Code			
Principle investigator			
(Name, Department)			
Co-investigators			
Name, Name, Name, ...			
Project title			
Abstract max. 300 words			
A brief description of the project aims, justification, strategy, and expected outcomes			
Total requested budget (RIs)		Expected time (months)	

¹ Please submit the form as a Word document (not PDF). Use Times New Roman font, 12 point in size, and make both left and right margins justified.

B) Research Proposal

Specific Aims:
Background and Justification (max 1000 words)
Background, significance, and Innovation
Research Strategy (Methods)
Main Expected Outputs
Limitations
Future Work

Potential Commercial Benefits
Do you anticipate that the proposed work will result in any output which can be commercialized? If yes, briefly describe any commercial opportunities
References (max. 50)

C) Ethical Issues

Animal Studies
If this work involves the use of laboratory animals, indicate the animal species and number required. Please describe the procedures you will consider to respect animal rights.
Human Tissues and Samples
Does this work involves the use of human tissues and samples? If yes, please describe.
Human Subjects
Does this work involves any intervention to human subjects? If yes, please describe.
Informed Consent
Is there any indication for informed consent in this study? If yes, please attach a sample.

E) Financial Details (All numbers in million Rials)

Personnel Cost				
Name		Category	Hours required	cost
Subtotal				
Equipment cost				
Equipment and Model No.		Manufacturer	Quantity	cost
Subtotal				
Consumables cost				
Items		Manufacturer or Provider	Quantity	cost
Subtotal				
Travel cost				
Destinations	Transport Mode	Number of People Travelling	Number of trips	Cost
Subtotal				
Publication costs (Papers, Copy, Print and etc)				
Specify				Cost
-				
Other Costs				
Specify				Cost
Total Budget				
Amount supported by other organizations				
Total Requested Amount				

F) Research Team

Principle Investigator (PI)	
Name:	Academic Degree:
Department:	Tel & Email:
Field of Study/ Research Interests:	
Briefly describe why your capabilities, training, and previous scientific activities are well-matched with your role in this project (max. 300 words):	
Top publications related to this project (max. 10) <i>Authors (in order). Title. Publication name. Year</i>	Impact Factor

For each of the other investigators copy and paste the table below

Co-Principle Investigator (Co-PI)/ Co-Investigator (Co-I)	
Name:	Academic Degree:
University/Organization:	Current position:
Field of Study/ Research Interests:	
Contribution in this project:	
Top publications related to this project (max. 5) Authors (in order). Title. Publication name. Year	Impact Factor

I, as the principle investigator, am responsible for the content of the form and confirm that all listed Co-PIs/ Co-Is have agreed to actively contribute in this project YES NO

Date:
